

## Industrial vacuum cleaner 30 S

Economical and easy to handle three phase compact portable dust collectors

These three phase compact portable dust collectors are efficient, economical and easy to handle. The dry vacuums are very easy to dismantle and clean. The location of the (optional) micro filter prevents contamination of the pump. The forward/reverse switch saves time when moving between work sites with different phase sequence.

- Easy to handle
- High filtration efficiency
- Economical
- Micro filter as option

|                        |                                |
|------------------------|--------------------------------|
| Product name           | Industrial vacuum cleaner 30 S |
| Noise level (dB(A))    | 71                             |
| Protection class       | IP55                           |
| Filter efficiency (%)  | 99                             |
| Installation           | [Indoor]                       |
| Material               | Housing in sheet metal.        |
| Filter cleaning method | [ReverseAirPulse]              |
| Application            | [dust], [granulate], [fumes]   |
| Working pressure (psi) | 120                            |
| Dustbin volume (gal)   | 6,5                            |
| Max Airflow (cfm)      | 140                            |
| Hose Diameter (in)     | 1,5                            |
| Hose length (ft.)      | 16.4 ft                        |
| Frequency (Hz)         | 60                             |
| No of phases           | 3                              |
| Filter type            | [bag]                          |
| Filter material        | Polypropylene                  |
| Noise level (dB(A))    | 71                             |
| Max vakuüm (in. wg)    | -118                           |
| Weight (lbs)           | 163                            |
| Hose length (m)        | 16,4                           |
| Hose diameter (mm)     | 1,5                            |
| Power (Hp)             | 5.7 (3.5 Kw)                   |
| Note                   | Includes cleaning equipment.   |

Granulate Fumes Dust

## Industrial vacuum cleaner 30 S

| [image]   | Description    | Power Voltage (V) | [model]   |
|---|----------------|-------------------|-----------|
|  | 30 S 230V 60Hz | 230               | 40055830* |
|  | 30 S 460V 60Hz | 460               | 40055840* |

\*Includes cleaning equipment.
