

## **IMPORTANT!**

**MagnaTrack is factory set for a voltage supply of 230 V AC 1 ~, European standard**

For 115 V AC 1 ~, US/Canada standard, change cables to the connection block. Remove 3 - 4. Connect 2 - 4 and 3 - 5.

Should be carried out by electrician.  
See also wiring diagram in the Instruction Manual.

No. 148515/01
