## Hose Reel 889

- ✓ Outlet position can be adjusted through 120° for optimum pull-out and pull-in angle.
- ✓ Spring power can easily be adjusted from the outside.
- ✓ Ratchet easily disengaged when required.

Fitted with slightly larger drums and therefore are able to take longer hoses than Series 888. Thanks to the open design, the reels are very easy to service, maintain and keep clean. Can be installed on wall or on the ceiling.
