

PRODUCT LEAFLET

Fan N3

Fan N3

- ✓ Easy to install
- ✓ The Filter Cartridge Standard consists of particle and HEPA filter
- ✓ The Filter Cartridge Gas is a pure carbon filter
- ✓ The filter cartridges are disposable and easy to change

Designed for extraction and filtration of noxious fumes and vapours for the smaller workplace, for instance when soldering, gluing or working with solvents. It is intended to be used in different combinations with the FX arms or the Down Flow Grille FD 23. The fan and filter are ordered separately unless included in a kit.
